

Happy Summer

Nav Jeewan Nursery School

Holiday Assignment
For
INFANT – 2 (2020-21)

Dear students,

We want to extend our best wishes to each and every one of you. We hope that you and your loved ones are well and safe and that you are finding meaningful ways to spend your time during social distancing. The school is certainly feeling the loss of your presence, and hopefully we will overcome this period of isolation soon. Regardless, we have made a remarkable shift from our on-campus to off-campus education with your cooperation.

And while school is important, so is your physical and mental well-being. During this time, it is important to take care of ourselves and each other. While your school timings have reduced, maintaining a good daily routine is extremely important. It will help you keep a healthy balance of your activities and maintain self-discipline. Do immerse yourselves in things you enjoy but keep it balanced with your studies and other chores. Help your mothers in their house-hold activities so that she is not over-burdened with the work she does to take care of your family- set the table and do the dishes. Be kind to your siblings, spend time with them and help them out in whatever ways you can. Although you are no longer spending most of your time in school, we hope you figure out what you love and find out more about it. Your teachers may not be there with you to teach things, but we hope you are learning new things on your own as well by getting creative, such as painting, drawing, reading books, learning origami etc. One of the best ways to relieve stress is to do yoga or any other safe exercises. Developing a habit of exercising daily can help you on a long term to keep you mentally and physically fit. Be in touch with nature by avoiding junk foods, ice-cold water / eatables stored in refrigerators for a long time as these promote the lifespan of viruses. Always use fresh cooked food in a balanced manner to increase immunity which is the only alternative to fight against covid -19. Be happy, help each other /needy person.

Since summer is finally here, remember to keep yourself hydrated at all times. Avoid staying outside in the sunlight for long periods of time and drink a lot of fluids. And lastly, remember that we are all living through this extraordinarily frightening and difficult time together. But it is important that we do our duty as human beings by maintaining social distancing, sanitising ourselves etc. If we stay safe, other people will also remain safe. We hope to see you soon once this pandemic is over.

Note : We hope you do your home assignments with due diligence. **Kindly maintain a single notebook to do all the holiday assignments.** Your holiday assignments will be evaluated as a part of the terminal examination.

Stay safe!

Principal

DEAR PARENTS,

It's time for Summer Vacation again, a time to relax as well as fruitfully occupy the children and keep their energies well directed. We have planned some activities to keep the children positively engaged. We seek your support in motivating your children as well as keeping a supervisory eye upon them.

Kindly make the time table and learn to balance work and play so that they can complete the given activities well in time and to the best of their ability.

Summer Tips -

- 1. Dress your children in loose, light coloured clothes.**
- 2. Keep your children hydrated.**
- 3. Help your children learn new things.**
- 4. Motivate your children to speak golden words.**
- 5. Have a bed- time story session with your kids.**
- 6. Encourage healthy eating habits and personal hygiene**
- 7. Help your child to be independent during this summer break and learn to.**
 - Button up their shirt.**
 - Put on their socks and shoes.**
 - Pack up their bags.**
 - Eat lunch on their own.**

Find. Count. Write

Count and write the total number of each item listed below.
